Special to the Appeal. NASHVILLE, April 11 .- The Grand Lodge of Knights of Honor met here to day, Grand Vice-Dictator C. F. Bates presiding. REPORT OF THE GRAND DICTATOR.

In his report, Grand Reporter Pullen says:

"The income to the Grand Lodge from the sale of supplies has decreased, as will be seen from a comparison of the amount realized during the past year. I attribute this in a great measure to the fact that no new lodges have been instituted, but in a smaller degree to the fact that as number of lodges either supply themselves elsewhere, or do not use the supplies required by the order. While it is an imperative law of the Grand Lodge that every member there have been nineteen assessments called during the year, twenty five lodges have not been sopplied by your grand reporter with assessment notices, and many have not used the number required by their membership. From the reports submitted herewith the following summary may be presented: Num-ber of membership reported December 31,

MEMPHIS. GRAND DISPLAY OF

SEASON TICKETS

Spring Meeting, 1883,

DEDDING PLANTS of all descriptions; new DROSS and Gerapiums. Among them is Bells of Memphis, one of the best, introduced by H. Moore, florist. It is one of my seedlings, which I have tested for the past three years. Now I see, to my great surprise, that some other florist claims to have raised this Bells of Memphis, but I believe that such a man could raise a cabbage-head much caster—when I is cooked. All these plants, as any others, I sell at lowest rates. My stock is large and good. I can offer many 100,000 plants for all kinds of bedding, and I wish that my friends and customers would give me a trial. Mail advices: M Beatle street: reached by telephone; convenient to Hernando street car; two blocks from H. Caro.
